ACTIVITIES OF NILAYA FOUNDATION

Small spark of Seva kindled in 2002 Nilaya Alumni Meet lead to the formal registration of "Prahlad Vidyarthi Welfare Association" as a NGO.

Nilaya Foundation is the popular name of this registered institute. A major activity for the welfare of students undertaken over the years by Nilaya Foundation is **Nilaya Foundation Scholarships.**

This flagship programme **aims at identifying deserving bright and underprivileged students** and providing them with financial assistance for their education.

NILAYA FOUNDATION SCHOLARSHIP

- Nilaya Foundation has started a **pilot project in 2019** named '**Super Special Scholarships**' scheme.
- Here a few students are selected for **sponsoring almost 100% of their education needs** and guide them throughout their education journey and beyond.
- Through this Nilaya Foundation **expects to create great citizens who are always ready to help others** and who can create more institutions like Nilaya Foundation.

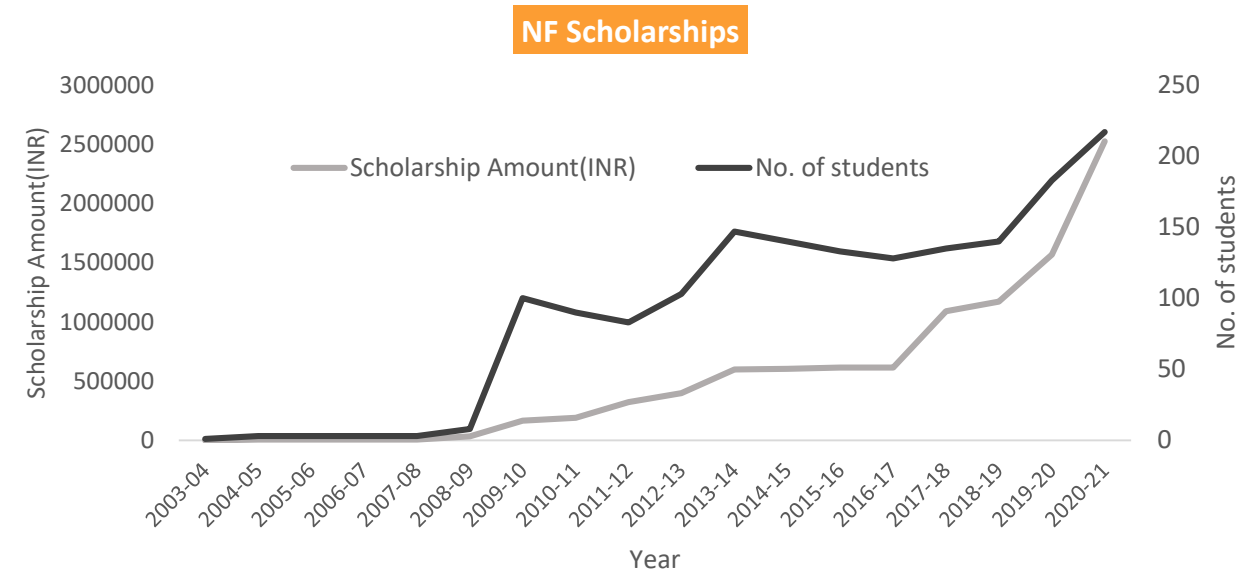

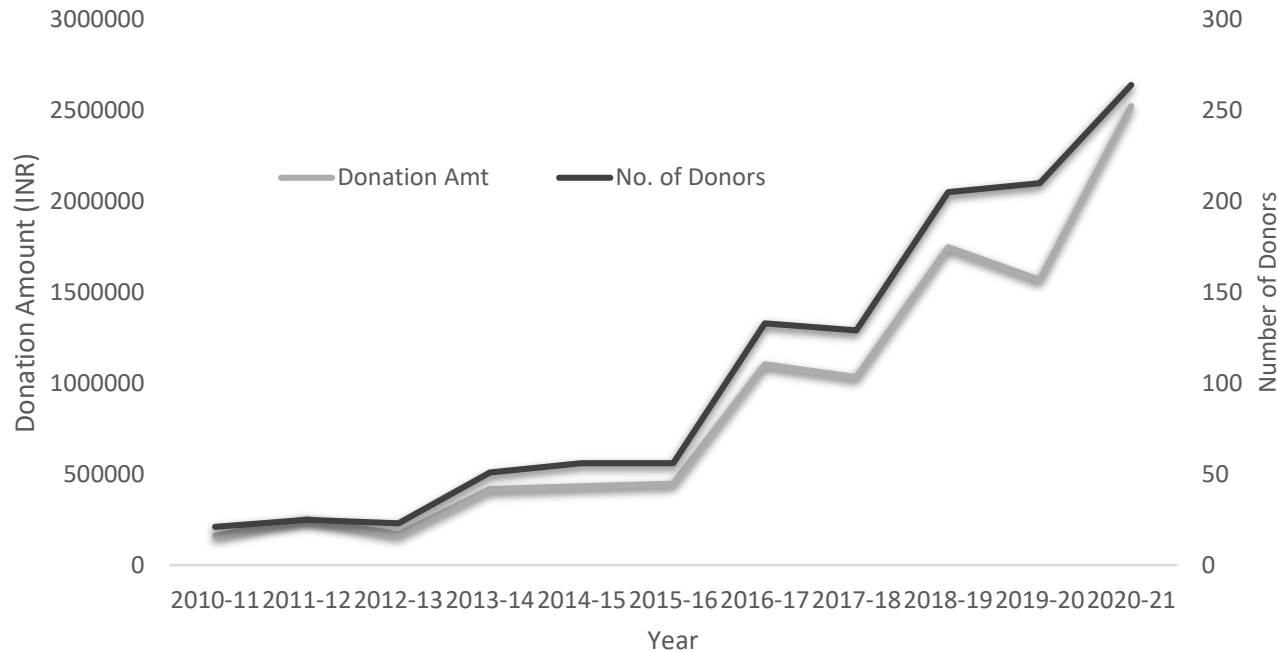

Fig: At the start in 2003 only one student was given Rs. 500 Scholarship. Initial three years the focus was on the students of Nilaya alone. Subsequently reaching out to many needy and deserving students in the society was taken up. In the last 17 years, active work of NF volunteers and donors' generous help has resulted in very encouraging and satisfying progress in NF's Scholarships programme. **Till 2020 a total of approx. Rs. 1 Crore has been awarded as Nilaya Foundation Scholarships to over 1,500 students.** For NF Scholarships programme **donations are collected under *Spandana, Sankalpa, Dattu* and other schemes to suit the convenience of Donors** and **entire 100% amount of donation collected is distributed to students** with 0% overhead or management/ administration cost of Nilaya Foundation.

UNIQUENESS OF NILAYA FOUNDATION

Nilaya Foundation has a unique and extraordinary method of serving society, for example :

DONATIONS

Students blessed with the stay at Nilayas, Beneficiaries of NF Scholarships and Good Samaritans contribute through generous donations to NF on solicitation.

Each activity of the foundation is done by voluntary **Seva** of Nilaya Alumni

100% of all donations received are **distributed** to the cause of Students

Individuals associated with NF, take out a couple of hours consistently to **dedicate** to Nilaya Foundation activities

Activities are carried out in an **adaptable way** with any accessible **volunteer** taking up any aspect of the job

IT and modern tools are amply used to carry out NF activities in a disciplined and transparent manner

AN APPEAL FOR SEVA

There is a growing need to hand hold the underprivileged & bright students in their education especially in financial hardships.

Nilaya Foundation is usually concerned that it's neither ready to fully **support the necessity of students** nor partially support every deserving student who seeks scholarship from Nilaya Foundation.

Efforts are always on to fare better so that **no bright and deserving student is deprived of education due to financial issues.**

In this direction Nilaya Foundation sincerely appeal and solicit your generous contribution.
